In accepting permission to take the Fundamentals of Engineering (FE) examination, I understand that:

1. I MUST fulfill the minimum educational criteria defined by the Board BEFORE I can apply for registration in Texas.
2. Passing this examination does not guarantee my education will be accepted by the Board.
3. A review will be made of my transcript(s) upon my successfully passing the FE Examination.
4. The Texas Engineering Practice Act and Board rules are subject to change and as such, I will be required to meet the educational criteria that are in effect at the time I submit my application for licensure as a Professional Engineer in Texas.
5. When it is determined that a person has provided false information to establish eligibility to take an examination, the Board will void the results of the examination and so notify the person. The Board will consider this action as basis for subsequently rejecting an application for licensure as a professional engineer.

I certify I have read the above statement and the information I have provided on this application is true and correct to the best of my knowledge,
